PROFILE

Pauline Edward

Pauline Edward is an astrologer-numerologist and professional speaker. She is the founder of A Time for Success, a consulting business specializing in Trends, Cycles, and Lifestyle Planning offering counseling and workshops for individuals and businesses worldwide. A Time for Success is the proud winner of a prestigious West Island of Montreal Chamber of Commerce Accolades award for excellence in business practice.

With a background in the sciences and a fascination for all things mystical, Pauline's journey has been enriched by a wide range of studies and experiences from research in international economics, technical writing in R&D and computer training, to astrology, numerology, meditation, yoga, shamanism, the Bach Flower Remedies, herbology, and Reiki. Her lifelong quest for truth eventually led her to A Course in Miracles, a study which has now become an integral part of her life. With such a wealth of knowledge behind her, Pauline is well equipped to meet and understand the varied needs of her clients.

Numerology came into Pauline's life at a time when she felt that she had temporarily lost her way. Giving her a fresh new angle on her situation, this timely knowledge provided the understanding and confidence she needed to get her life back on track. Ever since, she has focused on educating clients and students on how to use the numbers in their own lives. She is always thrilled to hear participants in her workshops exclaim "Wow!" when they experience first hand the numerology cycles at work in their lives.

When not working with clients, Pauline can be found indulging her passions for writing, renovating her home in Montreal, Canada, gardening or hosting dinners with family and friends. Her latest book, *The Power of Time: Understanding the Cycles of Your Life's Path*, was released from Llewellyn Worldwide in November 2007.
