

# NOT EVERY JANUARY IS THE SAME!

## STARTING THE NEW YEAR BY THE NUMBERS

We are always eager to get started once we have turned the page on one more year gone by, anxious to explore what the New Year holds in store. The best way to start the New Year on the right foot is to consider our starting point. If you have begun to use numerology for planning and goal-setting, you may already know your Personal Year number. If you are an avid planner, determined to put all the forces of the universe in your favour, you may already have calculated your Personal Month numbers and downloaded your Daily numbers for the entire year. Way to go! Here are a few tips for starting the year on the right foot based on the energies of your Personal Year number *and* your Personal Month number for January.

### PERSONAL YEAR 1/PERSONAL MONTH 2

Alright! We're off and running. A new beginning, a whole new cycle. This month brings close personal relationships to the fore. You could be feeling a little hesitant as you start your new cycle, even concerned about what others might think. Hold fast. This is your new beginning. Set aside all doubts. Trust your inner guidance.

### PERSONAL YEAR 2/PERSONAL MONTH 3

Close personal relationships usually are important in a 2 Personal Year. This month, you are likely to be in touch with friends and family. This is a great month for networking, and developing your connections. You will probably be required to be open, and share your feelings with others. There might even be a little romance in the air!

### PERSONAL YEAR 3/PERSONAL MONTH 4

This year will bring many opportunities to socialize, and have fun. At the same time, there is always the danger of being scattered and becoming distracted. Use the 4 energy of this month to get yourself organized and focused. If you are not focused, your efforts might not lead to the desired results. This is a work month. Take advantage of it.

### PERSONAL YEAR 4/PERSONAL MONTH 5

Although last year you may have enjoyed socializing and having a good time, hopefully you didn't scatter yourself too thin. This is a year of focus and hard work. Don't forget that, even though this month may bring surprises and new opportunities. You're going to have to work hard to get the results. Don't be lured by the promise of a freebie.

### PERSONAL YEAR 5/PERSONAL MONTH 6

You're probably really looking forward to taking a break from all the hard work of last year, a 4 year. However, family and work responsibilities will keep you busy for the next couple of weeks. You'd best schedule your free time for February. Take care of the business at hand; freedom comes later.

### PERSONAL YEAR 6/PERSONAL MONTH 7

You may be feeling a little bit out of sorts this month, out of sync with your environment. This is a 6 year of responsibility, but you may be feeling inclined to spend quiet time yourself. Do make some time for yourself. You'll be taking care of the needs of others most of this year. A personal relationship could be deepened if the inner journey is shared.

### PERSONAL YEAR 7/PERSONAL MONTH 8

With a 7 Year, you are probably feeling the pull towards the quiet and peace of the solitary life. However, expect business as usual for the month of January. Money, business, career. That's what this month holds in store for you. You may be taking a serious look at your career direction. The 7 always brings on a whole lot of thinking!

### PERSONAL YEAR 8/PERSONAL MONTH 9

This may be a number 8 year of business and money, but it's a 9 a month of wrapping things up. If there is any unfinished business from last year, you'd best get it out of the way this month. Your projects will get a powerful boost in February, a 1 month. Clear the decks! Prepare to shine and claim your just rewards!

### PERSONAL YEAR 9/PERSONAL MONTH 1

This is likely to be a full year for you, where you will come to understand much of what has gone by in the past few years. This is a time of integration and great learning. You may feel that new opportunities lie just beyond the horizon, but you cannot yet see over the horizon. You will need to be patient and let things take their course.
